**Who we are:**

Muscular Dystrophy Ireland (MDI) is a voluntary organization which was established in 1972 by a small group of people in the west of Ireland to support families who had a member with muscular dystrophy or allied neuromuscular condition. It has grown considerably since then and it now has several hundred members and a network of support staff throughout Ireland.

### **Our Vision:**

Muscular Dystrophy Ireland envisages an Ireland that enables people with neuromuscular conditions to fully participate in society and reach their full potential.

### **Our Mission:**

Our mission is to support people with Muscular Dystrophy.

We do this by:

- Providing information and support to people with neuromuscular conditions and their families through a range of support services
- Advocating for services and entitlements for members, educating and informing society about neuromuscular conditions
- Supporting researchers and clinicians to carry out quality research into neuromuscular conditions

### **Our Values:**

#### *1. Respect & Empathy*

We seek to build relationships based on respect and empathy.

#### *2. Openness, Transparency and Integrity*

We carry out all our work to the highest standards, underpinned by honesty, accountability and consistency.

#### *3. Equality and Fairness*

We are committed to equality and fairness and to ensure the right to equal access to services based on needs of the individual.

#### *4. Inclusiveness*

We strive to be inclusive, valuing and respectful of diversity.

#### *5. Personal empowerment*

We believe personal empowerment is about making choices and having a voice.
